

Branchville April 5/78
Dear Bro Belden -

Your favor of the
3rd inst. was received last evening.
I am sorry your communion
prevents you from being here
on the 5th May. I will
however, most gladly make the
change you suggest in time of
having Anniversary exercises,
so that we may have you
with us on that occasion.

In order that the greatest pleasure
may be afforded the largest
number you will have to
be deprived the pleasure of hearing
me preach the anniversary
sermon. I do not desire
that you should work too hard
for us on the 28th, therefore

I will make for you only
the following appointments.

Univrsary Sermon in
the morning. Principal
address at Sunday school Mr
Univrsary in the afternoon.
And principal address at
Womens Mission & Sewing
Society in the evening.

I was over at
Pleasant place on Tuesday &
Wednesday of the week and had
a most delightful visit.

Emma Roe was buried
on yesterday.

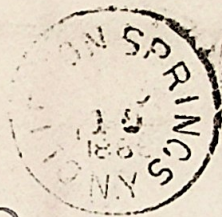

The Milling parties
have a Cottage Custard party
on basement of ch. this
evening.

I will have the
young people meet on
Saturday evening Dec 27th.

I am glad you will be
at Belviden during the
meeting of Presby. Hope
to have the pleasure of
seeing you there.

Sincerely yours
David Stearns
