

Feb 23/85 -
Monday Evening

My dear Pils - Ellie -

This is the
very first moment I
saw dad tonight &
thank you for my
new niece - I am
hoping you are feeling
comfortable, and that
the baby is well.

I did not hear of the
arrival till Sat. Evening

as Father was away
all day, so did not
get Mother's letter till
late in the day -

The boys must be
delighted to have a
Baby, How does little
Billy enjoy it - I am
very glad the dear
Mother is with you,
though we miss her
awfully, It does
not seem like the same
home, or time, without

her, Give much
love to dear little
Mama & Emma -
With love to Mm.

Yourself and the
my babies I am
Yours sister
