My dear Brother:-

Your favor
of 26th ult, received some time since
but I was not at home and
Mrs Peoples did not know what
answer to make or how to for-
ward the letter. I returned last
evening from California.

I assure you it would give
me great pleasure to meet with
my Missionary Brethren at the
meeting of your S. M. U. I have
been looking forward to it since
before landing in the home
Country, and have been calculating

upon attending for the past few
months; but now I fear that my
family relations will be such, and
the obligations upon me in preparation
for returning to our mission home,
that it will be impossible for me
to attend. It would be a privilege
to address the Union; but the un-
certainty of my being able to be
present would not allow me to
make any appointment.

If it be possible I shall be at some
of the meetings. After attending the
meeting of our Gen. Assembly, my
work will call me down to New
York for a number of days, possibly
weeks. If I can so arrange I shall
return to Chicago from New York by
way of Clifton-Springs.

Very sincerely yours
S. C. Peoples
