

No 607 - Erie Ave. Lorain. O. Feb. 5th

Mr Wm Belding
Berlin, O.

1901

Dear Sir - I am surprised at the way
you treated one that was, or tried to
be so kind to you, if you could not
pay me when you went away, why
didn't you come & tell me I was now
I sent that board bill away with
you, & you had four meals per day
for several days, now there is a balance
due of \$1.75 cents which I am very
much in need of & if you when you
receive this will send a P.O. order
or any way to suit yourself, I will be
very thankful to you, if not, I shall
certainly send some one else to collect
I have had the "Gippe" & everything
has gone wrong, & show it to I do
not know & I must collect

what is due me to try & pay them,
Mr Treat says there is plenty of work
in the yard now.

Remember, I harbor no ill
feeling towards you for your un-
kind treatment, but, you know you
did not do right by me.
I shall expect to hear from you
you receive this

Resps.
