

Seabright.

Friday Aug 5-

Dear Cousin Ellen.

Please find en-
closed another small check
for ^{\$}8.00 (eight dollars) for
^{4.00} for Eddie's board for week
ending to-day and 1.50 for
Eddie's allowance - (I hope
he will advise with you
about the best use for his
allowance - Eddie in the
note that you were not feel-
ing well but I am glad
to hear you are better again

I do hope my dear boy is not too much additional care for you. And now I am afraid his papa is going to ask you to keep him longer if convenient.

Be sure please and pay at once if you are expecting other friends or if in any way it is not perfectly convenient. I long so to have him with me and am so disappointed about it I feel very badly but his father says he will write you what he thinks.

Please forgive Eddie if he is humdrum and please put your loving arm around him for and comfort him for his mamma. If Eddie remains this month with you and you can go with him + Willie

or any of the children you think best I should like to subscribe \$3.00 for a weeks board for you dear at Lake Breeze. Eddie writes that regular board for the missionaries is only \$2.75 per week. Forgive me dear for making such a poor little offer but I remember how sweet you used to be at dear Chilton in allowing me the privilege of giving you a little treat. Eddie wrote that you were at the lake a day or two - now I am sure a week would do you good.

I cant write more as I have written Eddie a long letter & have another & that a business letter to write also - Have the same old tired head - Will is very nervous although he does not think of himself. I know you pray for us sometimes

and I am grateful.
With much love to all
from your aff. Cousin
Carrie B. Hudson.

So put your arm around my
Boy, for my sake even if he is
a big boy I know his heart
aches sometimes for his Mamma
& although he is getting quite
manly still he is my baby
after all.
