

Wednesday 14th

Dear Cousin Willie.

As Saturday was a very pleasant day in Parkville and down thro' in N. Y. as far as I can hear, I am perplexed

Shall I expect you again this week on Saturday if the weather is propitious?

Uncle Burtis (when down
last week) seemed to think
favorably of a church for you
in Parkville. There is almost
no congregation but there is
a Congregational Church & the
pastor comes next week I believe.
If you do not received very
particular invitation to preach
for next Sunday, may we
look for you & Logellie & the little
treasures -
Cory. Carrie -

Please let me hear in
receipt of this whether you
shall like to come -

And if prevented or for any
reason you wish to send
a line on Saturday -
One sent, to 555 Broadway

in case of Mr. Fred Wilder.
would reach me in the
evening - My husband is
out of town & rather away
on business this week & may
not return until late Sat.
evening.
