

Woollett Cottage.

June 23rd 1882.

My dear Sister Ellie.

I hope you will enjoy a very very happy Birthday anniversary on this beautiful day. I wish more than I can tell you that I had some real nice present for you, and can hardly give up the idea that I can't have. If it will be of any service will you accept of this trimming. The blue Immaculate for you, & will make another real piece
Ever your loving Sister Mary.
