

Dayton. O. 7/18/02

My dear Borden: -

I am addressing  
this to you at Cordis-  
ton because Merrick  
in his letter of the 7<sup>th</sup>  
wrote you there. I hope  
the letter will reach  
you alright.

Well, old boy how  
does the battle? Do you  
play any cross country as  
much as you did work-  
ing in the streets?

What do you think of your  
town & ~~the country~~?

I am delighted with  
the ~~condition~~ of the state.  
I hope you will gather  
the body to be holding  
at about the rate of  
5-2 day. I shall  
start off ~~in~~ the  
first 6 days.

The other fellows  
are all doing well.  
I hope you will make  
a visit that will sur-  
pass any Dr. Chase  
man for ~~the~~ - ~~in~~  
Bus. Booth & ~~the~~ ~~the~~

.. Don't you find it an  
awful book to talk?  
How are the people int.  
interested in these subjects  
than you, Lou?

Write & tell me  
if your work - its dis-  
arrangements or are  
as the management.  
Of course, Bedford,  
you will have a few  
blue days at the start  
The agent will see the  
disagreeable & unprof-  
iting features of a plan

first. The people are, always  
ready, & they will get  
why his particular art-  
icle - about to end in  
their town. But the  
only sure remedy, for the  
men's arrangements &  
these last attempts, just  
now is work - 6 days  
in a week - 9 o'clock  
day, & that means a  
rice was left face at  
Charles - see? Now,  
old boy, go in for a  
big week - let nothing  
interfere - Yours friend  
John Redin
