

North Lewisburg, O. 8/21/52

My dear Belden:-

I have been hoping to hear from you, again before I sent congratulations on your first days work. You couldn't ask for a more favorable start. I have heard that Misses Curtis is a good school town. I hope this report is true. I am finding N. Lewisburg the poorest place in the county - the people are indifferent to their schools and besides they are so generally poor that one can't do big business.

Can't you arrange to come to Urbana Sunday? I expect to be there and would be glad to see you - will give you accommodations at the Messier. Hence I expect Keller & Hamilton will both be there.

How are you doing, and how?

I should enjoy hearing me if you can -
have now and see how much you have
improved. I took only 21 notes last week -
I have taken 18 thus far this week - Thursday
ev. Hamilton started in the town of Pt.
Paris - ^{Th. note.} place of about 1400. I don't know re-
sults yet? Do you hear from Burr?

Have you met Prof. Sibley of
of the Center? He will be in the
school here next year.

Write to me + tell me whether
you can come to Urbana Sunday or not -
I shall look for a long letter if you
don't come -

Your friend & fellow sufferer -
