

Dear Will,

Can you come
to Brotherhood meeting
for initiation tomorrow
(Saturday) afternoon at
4 P.M., instead of 6:00^{pm}.

The boys will meet then.

You will oblige us all.

Yours cordially,

A. G. Bryant

OBERLIN, OHIO, Dec 10, 1904

I find your name in the list of those who elect to attend the First Church during the present term. Let me assure you of a hearty welcome among us.

It will be a pleasure to me to increase, as far as practicable, my acquaintance with the student members of my congregation, and to render any friendly assistance within my power. To this end, I shall be happy to see you at the close of any of the church services, or at my home, whenever it is convenient for you to call. I am usually at home, Monday evening and Friday afternoon, and during my office hour, from one to two o'clock, on all week-days except ^{Friday and} Saturday. With very kind regard,

Yours sincerely,

J. W. Bradshaw
