Dear Friend:-

As I have a little time to burn up, throw away or do something else with I decided to write to you.

I got the Review and saw your name in the paper as guard on the Freshman team.

Since I left Oberlin I have been burning around doing most everything and every body, and have finally settled down and accepted the position of Asst Cashier of the Henry Mail Bank. It is just a new bank

and there is only one other person in it besides myself.

I am not a hundred miles from Joliet where Hillis is I have lost his address and I wish you would send it to me as I would like to write and have him come down and see me if he can?

How are getting along and who do you call my own darling little baby? Is it Lou? Alice or some one else.

How is Clara, Ruth and all of the girls?

I would like to come and see you but as I am

making a little money  
about as easy as I ever  
expect to make it. I guess  
I had better hang on to my  
job.

I have to go down and fire  
up about 7 in the morning  
then I go eat my breakfast  
and lay around the hotel  
until 9 then I go to work  
and work until noon and  
after I get my dinner  
until about 5 or 6 o'clock  
and then I burn around  
like I am doing now.

How did you like it out  
on the farm last summer  
where you were when  
I came away.

Now Bill please send  
me Hillis's address.
