

Jeanne Marie + Selden keep
up quite a correspondence -

Dear Mary,
I hope you get to Tacoma just
about a week till they decide!
Thank you for the S.I. postal and
all your letters. I was very
much interested in them all.
I have reports to make out so
can only send on these letters.
Lots of love from
P. White.

My dearest Lintie! - Wed. 1. P.M.
This letter came
this morning from Ellen and
I am sending it right out to
you, + you can forward it to
Mary. But I have no time
to write much, for my Mission
Study Class comes this afternoon
+ I must get ready for it.
I am feeling much better -
really pretty well if I don't
work too hard - and I am
taking life easy in every way.
Selden + I are out of doors a
good deal getting things in
order, + the air is certainly
invigorating. Willie has gone

to Seattle & is with Percy Hillis
working for the Parker Lumber
Co. Seattle, Washington, Corner
Jefferson & 13th St. It is
I guess, ~~an~~ better situation.

Thank the two Mrs. Strongs
for their lovely Easter cards.
I appreciated them, & the
remembrance. Mrs. P. was
very pleased that you remem-
bered her. Be all that you
art work very good.

You had better not consider
going back to Huntsburg.
If possible, you had better
finish your college work,
if M. gets a good place,

you can. Unless an awfully
good teaching place turns
up, you had better not
teach this year.

I want to see to Fanny's
doing the dining room for
my class before she goes,
so can't write more now.

My regards to all friends.
Much love from your fond
Mauma -
