

Thursday -

Dearst Pally,

The enclosed
postal came this afternoon's
mail & so I thought I would
send it right in, via post it;
I wish you awfully, Yvette
has been here for several days
still it seems like home. For a
couple of days we have been
occupied mostly reading the
dreadful news from Mexico &
now from San Francisco. We cannot
be thankful enough that we
are not in the localities
How dreadful it must be for
the sufferers there!

We were glad to hear of your
seeing your friends and safe
arrival. I hope you keep well and
happy and no doubt you are
very busy. Aunt Caroline and
Whelan seem to be a good
time altho the former has
not been very well. but I
think this visit will be of
benefit to her. I think she
was very tired & then her cold
made her feel miserable

Gratitude goes to her Settlement
work tomorrow, I think Aunt
Mary may come in to please

Gertrude had a fine
time one day taking some
of her children to the Circus
at Madison Sq, about 7000
children were there and all
seemed very happy. Three teachers
from Settlement had charge of
thirty. Every thing is going on
as usual here, I believe. Had
meeting at Mrs Laws this P.M. but
I could not go Good bye

dear. Take good care of your
self and I will be looking
forward to June when we
shall. I hope see you again

Don't forget to give us any news
from Tucuman,

Ever your best loving and
devoted Grandmama,

Miss Mary M. Belden
