

Dear Willie - Now don't think for
a minute that you are getting
a letter for I am right here to tell
you it is only a business note.
I am going to Tacoma sooner
or later & if it is possible I would

like to arrange it so I can meet
your sister - will - you let us
know when she expects to arrive?
It will be so much more
satisfactory for you to see her over
Sunday at our house & even after
all these days of separation we
will promise to let her have
you all to herself for about five
minutes.

Yours truly

Lizette Starger
