My dear Willie:-

Only a line

for we are awfully busy getting  
one set of folks off & ready for  
the other to come, & can't get  
any outside help.

Mary received your \$50<sup>00</sup> by  
telegraph yesterday - Friday & is  
very thankful.

On the back page I have  
copied the itinerary Mary

will use, altho' I have the  
exact time down. Mr. Hillis  
helped her make out this  
route. She wants to stop  
at Salt Lake City to see  
Margaret <sup>more</sup> who is teaching  
there. She will not try to  
visit at Seattle now, nor  
with you but assure that  
I'll later as Pres. Kroeger  
wants to go soon at  
Whitworth, & her visit  
there would be too short.

But she will get her ticket  
made out to Seattle as the  
price is the same, & some  
thing might turn up that  
she would want to go  
on. We all think it will  
be too expensive for you to  
leave your work to see her  
now, & a visit may come  
later. Love from all  
In haste for the mail  
Your Maama  
Ellen S. Belden
