Dear Sir:- We are inclosing a bill for \$12.50 which we wish you
would give your attention as soon as possible. It is as you can see by the dates
something over a year old and we have a right to expect immediate remittance.

I have spoken with your mother in regard to the matter several times and
she says that she has written to you about it and that in her opinion
you should pay at once. We don't want to be rough about the matter but you
can readily see that a year is longer than any one can reasonably ask for credit.
Hoping to hear from you as soon as is practicable, I am,

Yours Very Truly,

H. A. COOK.
