Dear Mr Belden:-

Your favor of 2nd inst was received two days ago. Both my wife and myself were glad to hear of you and your movements. In regard to the photographs I am sorry that I cannot send any by this mail. Unfortunately I am completely out of printing paper, and in addition to this I have to be away for about two weeks. I am ordering a fresh supply of paper and chemicals and as soon as I return I will get busy and send you what pictures I think would suit you.

In regard to your publishing any of these views I am sure that I could have no possible objections as I do not intend making any copyright pictures but I should be glad if you could send me a copy of the magazine in which they are published.

You may therefore look for the pictures in about a months time.

With kindest regards in which I am joined by my wife,

I remain

sincerely yours,
