

Dear Will-

Just a little
note to give you a
"good send off" and
tell you how much
we will all miss
you. I hope it is just
going to be the very
best thing for you
and that you will
not only get lots of
money out of it but
loads of other good
things that will last
long after the money.

has all disappeared.
Just think Edna hasn't
appeared yet and it is
8:30. My! I don't see
how people can
sleep so much do
you Will? Hope
you boys got a
little dog it would be
so much company
for "the man behind."
The postman is
here so I must stop.
With all best wishes
