

Sand Mary Returns Monday just after dinner

Dear Lintie: I have lost all track of the day of the month, but I know it is two weeks today since I came to Lakeside, and twelve days since the operation.

Tell Mrs. H. that Dr. Allen took the stitches all out this morning. I am as comfortable as could be expected - combed my own hair this am, while lying still.

I wanted to wait till after 2<sup>30</sup> mail box if it brought me something, but find none leaves the house later - My verse today

"Thou hast delivered my soul from death; will not thou deliver

My feet from falling" etc  
He who gives the greatest blessing  
will not fail to give the lesser  
ones also - we can trust Him  
for the next steps.

A beautiful day! My daffodils  
shedding ~~shed~~ yellow sun-  
shine - Every thing hopeful -  
since I don't want to be forced  
secretive about the hospital!  
only not to be town talk you  
know! I'm + Dr. Hawkins  
both have so much judgment  
whatever you do will be right.  
A nice letter from Mrs. Crafts - Love to  
everybody who loves me, especially  
Jm + Selden - Mamma
