Dear Will,
Just a line
to let you know that we
landed safely on Thursday
afternoon. We are spending
a few days here before
going to 41 Orleans St.

Springfield, Mass. There
is so much to do and so
many people to see that it
is hard to make plans.

I would like to go to Buffalo
for a few days about the 1st
of Sept. Do you know of
any Oberlin people who
are going and when?

What are you doing
this summer? I am
off to So. Byfield to-morrow
and the next day we hope to
go to Springfield. Sincerely,
Geo. L. W. Hilborn
