

Dear Will.

I put it perfectly
careless that you are
on the Fort Hall trail
and visit it simply
honest that you will
not on it at Crowell.
Could have been better
and incidentally how

Dear Ellen & Charles.
I am ready to burst
with joy that you are
on "the team" with
shading "smiled head
plucked hands, black
eggs, & other fun.

How Willie I want to
talk with you a little
bit — I'm a letter from
you Mother just rec'd

I learn that you³ probably will
spend a few weeks with us at
Christmas - that is grand! I
was going to say - My mother
it is a surprise to Ellen - but
perhaps that could not be
perhaps you would not care to
have it any way - I want to
know where you are coming, or
somewhere you can tell me - Just
my - My kids are thinking
of having a little party and
of course we want to have it after
you get here - I have a very
great notion not to tell any
of my family that you are
coming - but doubtless that
wouldn't work either - All the

girls, & ⁴ most of the top
will be very nice, but
you will not mind that
I turn and it would be
simply ~~lucky~~ not to have
you, ~~was~~ at the party - Very
sincerely - just from you
turn - if you were so soon
to be here - So you let me
turn - Will you - In love
before Christmas if possible,

Love which - You be here by
the 20th too - if you can - I am
awfully glad you are coming
with - really delighted - I
do adore boys - if they are
even half way decent -

Another thing I want to say is -
be sure to bring any music you
have - College Song books included
& I may just say - I shall keep
you singing every minute - I am
very glad Percy told me you sing
so well - Bring the delectable music
so you can sing a "Solo" in
church each Sunday you are here
- if I can manage it - Will you -

Can't you get dear Trunk
in you don't care to along with
your music? Bring along ideas for

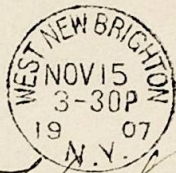

as it gets fuller & busier
all the time through the
Holidays - I thought the
21st - the 1st Oct. I don't
like for a party - or
23rd - but that is such a
busy time - I'm still see.
Brother - Office Charles
- will be home 9.30 Dec -
20th - Ellie at same
time or Dec 19th - not

Simple fun too will you.

I suppose Pucey may
be along while you are
here - wouldn't that be
fun? I must manage
some way to get Uncle Joe
& Aunt Mary's here for
Christmas - Wt. that is
in the air yet -

I do wonder if we could
manage to get "Wrennie"

here - How long is your
vacation - ? How much
is the round trip Orinda
- N.Y. - ? Emlena has been
so wonderful all last
year - it would be so
long if she could have
the chance to the fun -
I turn me none of us realize
what Emlena accomplished
but you - she was simply
marvelous - a wonder to my
