

Dear Bill,

Nearly into Seattle so you neednt  
expect much but a note tonight, Have  
been away about two years and say now  
maybe I wont be glad to get back. Will you  
be on the coast about May 1st. Better plan  
to if possible. Have been busier than a bee  
lately but really dont seem to get much  
done. Have been trying to hustle up some  
of the licences but there seems to be little  
use of trying to hustle those Englishmen  
I will write Orlo about that money  
and tell him I will pay him. I  
know you are busy same as I am  
but write when you can.

Your old chum

Harry
