Dear Mr Belden :-

I expect you will think those pictures are a long time coming. I had to wait a long time for the paper as the size I wanted was not in stock. Then I had an accident with some negatives & I have been away from home nearly all the time. I leave again tomorrow for 2 weeks or more hunting & am taking the camera with me. Don't my return without fail I will send you views. It is too bad to have kept you waiting so long. Some of them are ready but not enough.

Yours sincerely
W. M. Halliday
