

My dear Miss Belden

I have just returned to school and heard that your brother was looking for an accompanist for the 4 o'clock hour, which he has engaged here where I room.

I have a position as an accompanist at a summer chautauqua and like to avail myself of every opportunity to keep in practice during

the winter and if your
brother has not been
able to procure one yet,
I should like very much
to do it, providing he
considers me competent.

I did not know
where to reach him
and would consider it
a very great favor if
you would speak to
him about it.

Thanking you in ad-
vance, I am

Yours sincerely,
123 S. Prof. Ethel Blose.
