Dear Bill:-

Doubtless you
have heard that I
broke my ankle the
first of Nov. up on
the west coast of Van.
island.

Came home as soon
as I was able to travel
but will go back in
two or three weeks

Of course you know
that the government of
B.C. have stopped issuing
licenses.

Percy and Bizette are
in New York.

When you settled with
Percy did he charge you
with the \$29⁰⁰/₁₀₀ that you
owed me? I received
a statement from
him the other day and
that was not mentio-
ed in it.

If you and he
have not squared

accounts yet, will you
please give me an
order on him for
\$29⁰⁰/₁₀₀. And if you
have settled ^{your} account
please forward me
the amount and
greatly oblige,

Yours truly,
Arlo J. Skinner.
