

YELLS AND SONGS

OF

Oberlin High School

Songs

1.

Tune: "We're from Missouri."

We're from the High School and you're going to know it,
We've got the best team, the score's going to show it.
'Taint no use to argufy, it will all end with the cry,
We're from the High School and you're going to know it.

2.

Tune: "Marching thru Georgia."

Many defeats the Cads've received
From High Teams of yore,
The base-ball team, the foot-ball team,
Those teams that made the score,
The debating team is up-to-date
And it is going to win,
While we are singing for
High School

CHORUS:

Hurrah for Lindsay! hurrah for Smith!
Hurrah for Cook!—the team to make the score.
We'll win the debate for H. S. .
We surely must to-day,
While we are singing for
High School.

3

Tune: "There's Music in the Air."

The Cad's think they can win,
But debates are not their fort,
Our boys debate like sin,
And we think it right good sport,
When the arguments are won
Then we'll shout and have great fun,
For the Cad's will meet their fate,
Oh, we'll win that grand debate!

4.

Tune: "Maryland."

O. H. S.! Oh! O. H. S.! We'll beat the Cads and all the rest!
We raise our colors to the sky, and Red and Blue forever cry.
We'll show the Cads what we can do, and win the cup for
Red and Blue.

O. H. S., Oh! O. H. S.! We'll beat the Cads and all the rest!
Oh! 'Cademy! Oh! 'Cademy!
We can debate as you will see.
In spite of all that you can do,
Our boys will win for Red and Blue.
You cannot meet their arguments,
And they will tear yours into rents.
Oh! 'Cademy! Oh! 'Cademy! You're sure defeat, we all will see.

Tune: "Good-night Ladies."

Good-bye, 'Cademy!

Good-bye, 'Cademy!

Good-bye, 'Cademy, we're going to beat you now.

We will take the cup away

And keep it here for many a day,

We're for Oberlin High, hooray!

Hooray for Oberlin High.
