

If I can
see Percy in
Chicago, it may
save me a
trip to Seattle

Or if you know
where he is, wire
him asking
him when I
can see him
Monday, and
send him the
bill for the
messages.

Thanking you
for past favors
and this one
in advance,
I remain

Yours truly,
O. W. Skinner

Dear Will:-

I must see
Percy if possible
in Chicago.

If you can
find out what
time he leaves
there or what
road he will
take please wire
me at my ex-
pense.

I may not
go west for
some time
if the finan-
cial situation
does not change.

In the statement
that they sent me,
they have me
charged with
\$97.50 as my

of the expense when you
and I were together. Is
that correct.

They paid me for 7 ^{claims}
that we were in to-
gether on. ~~So~~ just before
I was hurt, they told me
at the land office that there
were nine licences out
for you and I.

Do you know anything
about this matter.

The firm did not send me
the particulars.

I wish you would
answer this at once
as I must know by
Saturday morning. So
I will put a special delivery
stamp on this

Can you tell me what
claims the licences were
issued on
