

Seattle. 8-29-02

Dear Friend Will.

We lost the 23 claims that
Orl's stated & it cut off our hopes
of profits. I am sending you
checks for bal. due you, I am
sending as I did before so if
you are not pinched for cash
you may be able to draw them
at different times.

It is late & a telegram today
calls me on Mon. morning boat
to Vict. & from there get
on the Island with a cruiser
to see that he goes over a certain
piece of land. It is my way
handing for a third party. If
we find it satisfactory the stuff
is sold. Best wishes to you
all.
