Dear Bill:-

Why don't you write and tell me that you are sorry to hear that I am married?

What are you doing this summer; do you expect to be in school in the Fall, and if so, after you graduate will you come to the Coast again?

Have you the films of the pictures that we took at Monroe? If so, I wish you would send them to me. We want to finish some of them.

Enclosed find check for \$42.40, covering loan and interest. *Thank you. Write*

With very kindest regards,

Your old chum,

Harry.

Is this check correct.
