6/26, '03,

Dear Will,

Why won't you ever  
write to me any more.

Are you offended, busy,  
sick or what, is the matter.

I have been waiting for  
nearly two months to hear

from you. I am papa in

Chicago, Ill. Mrs. Grace

Baker has been teaching  
here in Joliet. Saw her

several times. Won't

write any more this

time not until I hear

from you. What are you  
doing this summer.

Your sincere friend,

L. L. Thompson Co. <sup>Harry</sup> Joliet, Ill.
