Dear Will.

Yes I got your first postal and one today. Talk about debts I have only about \$30,000 to pay. yet. But they all thought here at home that I had better stick it out some how and go to school for one year more before I quit to work the senior Cad and Freshmen college go to gether so every one says So I am going to try it any way. I only wish you could be here

too. I should think you might
do pretty well in some town
like Wellington. I wouldn't do
any hurt to try any way. I saw
Harry last on Sunday night.
So I haven't had a chance to talk
with him. I saw Miss D the
other day so she is still alive
that's all I know about it.

Yes I think H.H. takes some
studios in Acad this fall. I
don't know for certain. You
know all the foot ball fellows
are out to the lake drilling
and having a good time in
general. John Dolan - brother
to the guard is there and
I think H.H. is also. The
intermediate are going to divide
I guess. Those over 18 in the
2nd ~~nd~~ church will go into there

own senior & those of the 1st the same
We talked it over some last Sunday
but agreed to let it rest until the
next Sunday. I had it that time
and then I go into the 2nd church
senior. Y. T. Y met Tuesday night.
we had a re-election of officers as
the one before was not legal.

Hattie Taylor P. - Max Pearl R.P.

Sarah Seymour Sec. Y. Cuyler T.

We have decide to have it the
1st Saturday in the month -
a monthly meeting now -
so the next meeting comes
Oct 4. Then it is to be a literary
society. Papers on current events,
& other subjects - debates - exten-
sions etc. I have a paper on the
"Abolition Temperance War" for
Oct. 4. a Program committee
is appointed each meeting to
prepare for the second meeting

That is a committee is appointed
Oct 4 and they prepare the programme
for Dec 4 or rather for the first
Saturday in Dec. The committee
also arrange for the social part
of it. So we will have something
new to have fun each meeting.
The social is the first part of
the evening - from 7-8 while
the meeting proper begins
at 8 & lasts to 9. I have not
heard anything about H.S. football
and only a little "varsity". The
freshmen class this year is
said to be very large. 145 -
new ones. Woud me lick the
Soph's tho'. Now for business.
If you want those books of
mine, will you send a letter
to Mr Will Cary
105. E Hamtramck
WA Vernon.

Tell him the books you want
& what express company to send
them by. - The co that is where
you are. - and be sure
to send your address to
him so he can write
to you. It may be he has
sold some. You know I
told him I would let him
sell all he could and would
make it worth his time
I'll pay him by a book if he
does enough. Now he will
send you what he hasn't
sold already. I haven't heard
from him so I don't know
what he has done. I will
write to him by the same mail as
I write to you. telling him to
do whatever you tell him
to do. So use your own

judgement. If you can pay
~~me~~ ~~for~~ me now I wish
you would but if you don't
feel that you could let it
go til you can. I am
glad enough to get them off
my hands. and can wait
for the cash if I have to. I
shall write to the Co & tell them
just how I am fixed and
see what they say. It is
every thing dear to you now
if not write me. I hope you
can come back here the
4 or 5th and see us all
once more. I saw Sense
today & Dick, none of the other
toys are back as far as
I know. Say Will I
think you are doing fine.

keep it if all ^{the} joy and you
will come out all right yet.
Well I guess that's all the news
I've worked here at home
since I got home. Had
an accident today.

I was working down to the
kindergarten rooms, and
very carelessly left a hammer
on the top of the step ladder
when I came down and
as I tipped the ladder to
move it the hammer went
co-bunk on top of my head
and talk about hurt. Gosh!
I squeeze my head in so
I thought my brains would
all ooze out. The claw of the
hammer struck my scalp and
tore a nice little hole in the
top. Dr Browning cut some

I my hair off and put on
a plaster it hurt a little this
P.M. but is fairly good now
Nothing very serious I
guess. Well supper is
ready so will have to
stop. Tell me all
about yourself
& work

To Song.
