10th March 1890

My dear Sir

We have started a
Foreign Mission Students Union
here and are desirous of fur-
-nishing our members with
material for giving short ad-
-dresses on the subject of
Missions.

Dr Pierson who is at
present in this country has
referred us to you and I
should be extremely obliged
if you could send me
samples of the various
leaflets &c which I understand
you have issued. You might

Sent one at same time
a note of cost for supply
of our Union. We expect
our membership will shortly
be up to 50 - Not a great
number but I think a good
start.

You might give me
particulars of anything
else in way of leaflets books
maps &c which you think
would be serviceable to our
Union

As I am only just
now asking for samples
you might keep down expense
as much as possible not
more than a dollar or
two. I shall transmit
it to you on hearing further
from you

Yours in the work
J. M. Grievie
