

much love to yourself. Truly yours,
Frankie C. Wright.

Tushkill.

June 20th 1879.

My dearest Ella,

I suppose that you are the same individual that you were before you came to be Mrs Belden, at all events I will take it for granted that you are. I wonder if you have been home-sick, and have cried to go home to your Mama. I have one week more of teaching, then I expect to be at home for a

week, and after ^{that} I should
be most happy to make
you a visit of a few
days, if it will be
perfectly convenient
for you to have me at
that time. I thank you
ever so much for the
invitation to visit you
this summer, and also
for asking one of my
sisters to accompany
me, as it is not at all

Lizzie will go with me,
and we also expect to
go to Catskill together;

All the children have
returned from school.
Maggie and Mary have
been home for more
than a week, and
Calvin and Luther
came home this week,
they have been attend-
ing Mr Pelham's school
in Poughkeepsie.

family are intending
to spend a couple of
months at New Ham.

her appearance some
time next week I

We received your
cards. Please excuse
our rudeness for allow-
ing so great a space
of time to pass with-
out acknowledging
them.

If it will not be
convenient for you
to have us the second
week in July, write
and let us know. Give
my kind regards to
Mr. Belden. With ever so
