Dear Bro. Belden

It is long since you and I have  
lost sight of each other yet I have always been looking  
after you. Having recently read of your action at  
Presbytery relative to a proposed movement of the  
Churches in November ensuing looking to a revival  
and awakening, I respectfully send you a clipping  
from a very old Philadelphia paper which I  
had pasted away in my old Book of psalms.

Having had considerable experience in Evangelical  
work I revised some of what I feel a sacred pleasure  
in communicating with you.

By the enclosed Circular you will see how am  
occupied there has been for a long time I am finishing  
my life work as my Lord desires. I Reb (at 79) am  
living by the day in joyful anticipation of the bliss  
& rest of Paradise where in 5 minutes I shall know  
more than the General Assembly of Saints on

at work  
in my work.

I am made very happy

Fraternaly
