My Dear Nephew

Your telegram of the 28th an-
nd too late to answer by Mail. On Saturday, I am sorrow-
to think that the Notice sent you abt Hoagland matter gave
you any uneasiness. The notice you rec^d doubtless refers
to the beginning of foreclosure proceedings by Wm Hoagland
through his Atty J N Taylor. The Shff who served the same Notice
on Sister Jane promised me that he w^d not send Copy of the Notice
to the Children though it w^d rather do any good or harm to do so unless
it should scare them. Charly owed a Mtg^g on the farm occupied
by Raishy of some \$6000⁰⁰ ^{in favor of Hoagland}. You have no occasion to pay the least
attention to any Notice that may be sent you or your wife I trust among
the Lawyers at Bridgeton has been very dull of late and the like of W Taylor
are glad to have an opportunity to get their name in the News Paper
We are all pretty well, Sister Jane is getting ready as fast as she can to go to
Bridgeton, I don't write in much haste & please excuse truly
Yours
Nanner love to Ellen the dear Children & yourself
