The Woman's Boards send out missionary teachers, evangelists, doctors and nurses, and maintain educational, evangelistic and medical work. Only women can reach and meet the needs of non-Christian women. Each missionary multiplies her influence many fold by the native workers she trains.

A few weeks ago we sent you a booklet- "The Clarion Call"- asking you to read and consider it carefully. Now is the time to help. In China and Turkey and throughout the world leaders are needed. One dollar today will be worth \$100 ten years from now. Every dollar helps toward missionary salaries, maintenance of schools, missionary tours or the relief of women in their time of need by the Christian doctor.

\$15,000 IN EXTRA GIFTS!

In order to provide for the year ending October 15, 1912, we need to receive \$15,000 more for regular work than last year. If each woman will make an extra gift, large or small, as she can, the W.B.M.I. will be able to close this year without a debt.

WILL YOU HELP?

Will you send an Extra Gift AT ONCE to your auxiliary or State Treasurer, filling in the enclosed blank?

Will you pray earnestly that the needs of the year be met?

Very truly yours,

Mrs. S. E. Searls

Treasurer.

Miss Flora Starr

Ass't. Treasurer.
