

THE ENGINEERS' CLUB  
32 WEST 40TH STREET  
NEW YORK

May 23. 1928

Dear Mary

I am leaving here this evening for Buffalo where I will remain (at Hotel Statler) until Saturday morning. My plan is to leave on D. L. & W. train reaching Elmira at 12.43 Standard Time (Daylight Saving 1.43) and to go direct to the Langwell Hotel where I will make my head-quarters. I will get some luncheon and then go to the College to find you. I plan to take the

same train (12.50) Monday  
28<sup>th</sup> for New York. I  
had some thought of  
going to Adhaed, but have  
concluded that the visit  
there would be rather  
unsatisfactory, though I  
do feel a little queer  
to pass so near my old  
home without giving it  
even a look!

Now, Mary, do not  
expect you to entertain  
me all that time. I  
want to be with you as  
much as is convenient,  
but realize that you've  
some things else to do than

play with me! We'll  
arrange all that when  
we meet.

I'm looking forward to a  
fine visit with you and  
will tell you all the  
family news then. Mean-  
while I send my love

Affectionately

Uncle George
