

My dear Ellen I do  
not know whether this  
has been to you or not  
but send it at a venture.  
I'mt Aunt Lizzie just  
wonderful that she can  
joke, and talk so funny  
about all the conditions  
the family are in. We  
have enjoyed her breezy  
letters so much I am so  
sorry to hear about Mr and  
Mrs Taylor being so feeble  
and Harriet not being at  
all robust. I trust you all  
are quite well. Is it not grand  
that you dear Mother seems

<sup>knowing</sup>  
so much better. She has  
said no sexual letters  
what a dear child Mimie  
was while with her and  
what a wonderful comfort  
and blessing you were.  
Wasn't it fine that you could  
go to her I suppose Pradie  
acted as Harriet during  
your absence. She is such  
a very efficient child!  
Isn't it perfectly dreadful  
she connects the Humphrey  
Hadley family are in now  
I do hope they will find a con-  
genial climate. Oh but the moving  
for all these sick people. There are  
certainly big problems ahead. but I do  
trust it all. as Grandma used to say -

Mimie she was each and how must be a catastrophe

I blew the tray ~~by~~ by trips by dinner  
I'll just send this in, I suppose  
later with a little more -

Your recollections are always interesting  
Yes I have noticed the Radio program -  
I hope you & Freddie will have some  
fun while she is in town -  
What a lot to see! Give me such a

thank of us?

I just love you and Fred  
Your Auntie
