Address all communications to the Company and
not to individual officers.

SUBJECT.

My dear Ellie - Do the "twins" need
cloaks? - As you may know, there has
been a tremendous cut in prices on such
garments in the stores here; Carrie
& I were looking at some Saturday night,
& thought it possible that we might be
able to give ourselves the pleasure of
sending you one for each of the girls.
If you think best, will you please send
their measure (bust & length of waist, I
believe) & we will see what we can do.
Perhaps it would be best not to ~~say~~ tell
the girls about it, as when we come to
look into it more carefully, our purse may
be too short to accomplish what we
want to do & we don't want to disappoint
them. Please send the measures on
first mail possible, as every day lessens

the chances, now.

With much love
Hastily & affectionately yours

Geo S Humphrey
