

Can explain it. Try me, perhaps.  
As far as I care are not  
me if you have ever caught  
the first glimpse of it, nor  
what it means. Now you  
say it means your'slept  
on some other folk's beam  
I say it because you  
are piece of false theology

Dec. 10 - 06  
My dear dear Ellen.  
Yes you are  
right to let me  
know. I was ady  
telling you why you  
might not be told  
because I had not  
done my part.  
You have never  
succeeded to get the

right idea of C.S. & I have  
not wanted to tell you  
all the reasons. I do, &  
always have thought that  
all that holds you is  
False Theology so called.  
If you had not been my dear  
Niece, but an ordinary  
patient, long ago I would  
have told you this. It is not  
Milk power. Jesus said.  
"I can do nothing" so say?  
Jesus said not my will  
but theirs. If the girl goes  
for Christmas to Berlin they

for I am afraid you may  
not understand. All the  
Problems King's International  
Embroidery Can't heal a sick  
person. Can't do it. No more  
to try. Scientific Charity  
Can. Spauld's says looks a  
great deal more like this but you  
have better Pills in England

2 You can't feel  
a full vessel can  
you? In other words  
you are too good,  
or rather too religious.  
I don't know whether  
you understand me  
but I can't heal you  
nor keep you unless  
we do come to  
some understanding.  
I will have the  
oil come this 5th

And you read with them  
the Chap on Prayers. I Fortify  
of faith, An infidel is easier  
than have one in  
your condition, or in the  
condition I was in when  
I came to C.S. I just  
had to give up all pre-  
conceived ideas of God  
I try thy else - just as the  
whole idea of the flat  
Earth or rising Sun  
Self condemnation will  
never heal the sick  
I hesitate, you have hesitated  
to have written this

3 give you a stone  
when you have  
asked for bread.  
You all ask so  
much better than  
I am, so much more  
forgiving & peaceful  
etc etc, but you  
do not understand  
God as I do.  
The reason, because  
you do not understand

C.S. The gang men  
who seem to have  
had her away, but  
he doesn't give up  
the one thing that  
was holding him  
back, how false they  
are holding you -

It can see it  
you will be  
healed, and when  
the Kingdom of Heaven  
is at hand
