My dearest Mother -

Your note came
yesterday - I am so
glad always to hear -
Please get me exact
number, width, and style
of shoe wanted for the
Belden's and I will
send them to them.
I just had a letter
from Mother Roe saying
the ones I sent her
were entirely too large
so she will have to

them back again, so I want the
exact size wanted, do you need
any shoes for your self - Florence
Foot of Weathersford who has been in
N.Y. studying music for some time
has been here for the past week
she is a lovely girl, a fine
singer, Broadminded & not

very different from her step mother
Mrs. Foot whom you met here

I enclose some staps for you

I am going to write to Aunt E
the first moment I get time,
It has been raining most of the time
since Monday - I had so hoped
you would go see the Croquet
