

3 Their aunts advised me  
and tell me they love  
me - said - "I don't see  
how any one could help  
loving you Mrs. Heccepley<sup>7</sup>  
etc etc etc - Just take  
all sorts of kinds of  
advice from me - I  
can help you there with  
Serving - etc. etc. etc -  
Every kind of thing, but  
never <sup>with</sup> impoverish them

own ideas of work -  
not spend them <sup>your</sup> going a <sup>very</sup> <sup>20</sup>  
travelling and <sup>clear</sup> <sup>fill</sup>  
~~travelling~~ to one family - <sup>20</sup> <sup>spoiling</sup>  
Dorothy's home is now  
getting millions of red  
cherries to can - she  
chose that, as she has  
out of clams - (she picks  
the cherries) the other  
girls are there long ago  
and have the afternoon free -  
and the day Dorothy will

to the free one. There is no grind  
of work - I see often leisure  
times - I see one - but this is  
a very joyful work - our lives  
are separated from you, I see  
found to do the work I see  
rest I look upon part of my work  
as a measure substitution  
I hope I don't do my best to bring  
I see glad I see with rest to rest

I cannot tell you how deeply  
I feel about your cough - it makes  
me want to wish to you right  
away - Oh! Dear! I couldn't let  
you be sick, it kills me.

I wanted to say a little bit more  
about our lives here. These scribbles  
off to you - Mrs McDevitt had her S. day  
for a picnic on the lawn in front  
of the Old last Sat. in all weather.

4 a woman but da - Sister  
ill (tonsillitis) couldn't go -  
I couldn't either but did -  
the girls plus are here, & the  
some boys also here - a  
nice time - ice cream &  
cake - - I found that Miss  
McDon't could stay with us  
for supper - usually she  
can't - so m has her - &  
Sister was so happy - Well!  
To make a cruise story I  
finally kept all the town boys

got in the remainder of  
Faculty - The town boy who  
was graduated in June -  
and he has supper in the  
lawn up here - Graced -  
plates of saunders <sup>made</sup>  
in a minute - had boiled  
Eggs - every thing quite well  
garnished - to look pretty -  
hot cocoa - cookies etc etc  
and got fellowship -  
all in no time - so the

They could get back to town in  
time to a fine and happy sleep.

Write to Caroline cause - Every  
one has a graced time, and  
Leopold - I got more than one  
grace than any one could wish -  
now can send things to so good -

Oh. etc. - all send things and  
of course for the alternates and  
of high blush and good &

innocent fellowship and perfect  
& natural association of boys  
and girls - God bless them all!

N.B. Next day I was sick - but  
the event was worth the outlay.

— I wonder how & how again  
how we can do so little for the  
uplift of our fellow men who  
have not our chance - I wonder  
in proposing Christmas of our

I rich Pesty Texas Church.  
I wonder how in all shall  
feel some day when in all  
our the "Other side of the  
Wall" - in rich Pesty Texas  
Church?

10 change - and let I  
got to garage about  
all - well! near all of  
us Pesty Texas -

I wish you could see our  
daughter now - with her.  
She is like a little girl

he didn't quite wash  
the mark, at the end of  
his pickup he had about  
twenty dirt covered red  
cherries rolling about the  
bottom of the tub -

In here was apple sauce  
made of the greenest apples  
that ever fell from a tree  
Carmen endeavoring to pick  
the apples from the ground -  
took a Leptines quart to pound  
the tea bag to get the steam

with a doll. Both are in a  
cruch - the latter just picked  
her 2.30 meal - both one  
lapples - the latter one  
full of her very firmish starts  
that so wraps them as  
I'm sure in have a number of cherries  
Gives right near the horse  
and a couple of apple trees - Her  
other day Carmen has a big galvanized  
wash tub, he was going to fill - but

in - I often wonder if we  
do things that seem so  
fancy to God, as these little  
children do, that amuse  
us so much -

Oh Caroline is coming <sup>to</sup>  
clear for any sleep -

This is a foreign long  
isn't it? a letter -

Dear Ann I'll promise  
not to be so long again

Yours Caroline  
Send me if of any interest -
