

Easter Sunday

Dear Mother

We were glad to get your letter but sorry to hear that you have so many responsibilities to worry you. Please don't work or worry too much.

Leoral left for the Teachers Convention in Calgary last night. Will went Thursday night. They will probably be back next Saturday. There is too much snow to use the car & it would be impossible to drive it here from Calgary this week so I could not afford to go. We had a very heavy snow storm Friday afternoon - nearly six inches of snow - which makes our prospects for a crop a great deal better. The winter's snow had mostly gone & we expected to be seeding this week but

Please send me Jeanne Marie's address. as I cannot  
& have not thanked her for that money yet as I do not  
know where to write.

this snow will delay work for another  
week.

I told you before, didn't I that we had to  
shoot a milk cow that hurt her leg &  
was paralyzed? Now we had to do the  
same to a calf that had all four feet  
frozen in the winter & failed to get well.  
The horses are all picking up & doing well.  
The hens are laying about two dozen eggs a  
day. I wish you were near enough to  
get some of the eggs because we don't need  
to eat that many every day & they are  
too cheap now to be worth selling. They  
won't be wasted tho!

I hope the anniversary for Mrs. Taylor  
was successful & happy event for her.  
I am sure Ellen must enjoy her new car a great  
deal. Give my love to Mary too when you see her.  
Love Selden.
