

Mother, don't you think I am  
old enough to have papa's watch  
now? I wish I could have a  
good one for a change. My old  
dollar watch does not keep good  
time any more. I will be very  
careful of the watch if you will  
let me have it. Please think  
about it and tell me soon, will  
you?
