

Dear Folkes:-

I suppose you've heard all the news from Selden. Our first trouble was because the O Berlin agent checked our trunks to Toledo instead of to Detroit. However the transfer man at Detroit telegraphed for them and they come without any charge even for telegraphing also 140 lbs. over weight went unnoticed the transfer man saying that we could have had ten more pounds on the two tickets. However the C. P. R. charged us \$11.35 for excess baggage to Calgary. My trunk weighed 260 lbs.

and Seldens 180. I'd feel dead broke each other.
only of course our tickets were very cheap. We are resting over Sunday at a hotel.

From our hotel veranda we can see

in town, every place being full even
the halls being full of cots. Your
letter to Selden reached us all right

perhaps we will about meet it.
We might get one at Spokane ^{Washington} or
more likely Coeur d'Alene Idaho
but probably we would leave there
too early. Will leave Spokane
