

Beverly Sept 10th

My dear Cousin

The invitations to
our cousin Ellie's wedding
were received and we all
wish that her new life will
be a very very happy one
It would be a great pleasure
to me if I could attend the
wedding, I can only send my
sincere prayer for the future
happiness of Ellie, and

and should I ever be able to
come to Ohio will try to see
all my cousins there, I have
a Niece living in one of the
Towns and I have promised to
make a visit and perhaps
next year I can do so. I ex-
pect to visit in Fort Wayne,
and cannot write long at a
time on account of my eyes.
This letter must be brief, I was
indeed sorry as well as the
cousins that we could not see
our cousins when they were in
the City the past Summer, as
Mr Gilbert was very sick pre-
paring for an other Operation at
present unity he is a little better

but very brave and hopeful the
rest of the Beverly cousins are
well and join with me in lots
of love to all cousin. especially
to Ellie,

Sincerely Cousin
