

I would like another
waist made to my
Swiss dress for concert.
a tight fitting low necked
underwaist with plaited
Miss over  side plaits,
and a long  basque.
with flowing sleeves.

I would like some
Oxford ties, or slippers,
if you think best.
It costs. We enjoyed
the box very much,
indeed, even tho' it
was under difficulties

Mrs D. gave me all
the cake Saturday ^{PM}.
The meat Sunday. and
the some candy after
meals, we ate the
last of the candy
today. all the girls
liked the things so
much. Mary Cooper, tell
Lulu, as well as
the rest of the "Good
Cause", have scarcely
stopped laughing over
the picture yet. They
say it is "so life like".

Mary is going to visit
Lulu as soon as
she has time, but she
graduates this year
and is very busy.
Maud Boyer is not
coming back, on ac-
count of her eyes.
Therefore we are all
in a state of deep
grief. I think you
must be mistaken
about me with reference
you about Miss D.
She called on me

I liked her very
much, she is a
very nice girl, quite
a favorite here (Pickup)
Thanks for the ribbon.
