Dear Mary:

I wrote you very recently and sent you the revised Family Records: I presume you received it all right. Am sorry that I cannot get you another copy. Only had three - one for you, myself and Joe Albright. Edith is so very busy whilst she likes her position - has had it many years she has such long hours. Is too ambitious you sent a dollar. Your copy was only 50 cts. So I am returning the rest in stamps to you - deducting 8 cts - 4 cts for the copy I sent you recently and four cents for the enclosed which you can keep as a copy for the one you wish to get for Evangeline. It will be better to use this one and not spoil your clean one. I do not wish it again. Andrew Albright's children look somewhat confused so I numbered them -

1. Lafayette Albright
2. Louisa Albright
3. James Albright
4. Chester Albright
5. Hubby Albright

(with their marriage connections). I hope to get a glimpse of you sometime this winter. With great love

My dearst Ellie I thank you  
so much for your prompt  
information. I want to make  
som but haste to send you

This document. I arrived  
here Jan. Wed eve to Friday Am  
leaving home. Much love from  
Mam
