Dear Cousin Mary:

I have been glad to learn
how much better you have been this year, and
I trust you may find further improvement
in the coming year.

I am sending you a photo of Clover
taken in Venice, in part of St Mark's, and
you will infer that she was having a good
time, as indeed she did the entire trip.

We all wish you and Bertone a
"Merry Christmas" and "Happy New Year"
Affectionately Walter

Isnt this a kind letter
from Wallis. I do apprec.
celeb it very much because
I had no idea he was
at all interested in me.
We have an invitation from
N.Y. Historical Soc to the mid
winter meeting at the Nichols
home in Newack. Gertrude's friend
Margaret Nichols was one of the
daughters of the family. This name
is very old and interesting. I cant
go and perhaps Gertrude cant.
I wish both of you could be there
Last evening we went to our Annual
Mid winter Reception at Womans Club
and Gertrude wore her lindenmaid
dress. as this is the occasion when
the best is worn. We had a
lecture by a real Russian man
very smart and learned, both

I am sorry ^{but} he didnt
interest me much. The other
day we had such a very
fine lecture on Lehrstane
Citizenship by Mrs J Know
Livingston. It was a most
interesting and enlightening
lecture, and I would like to hear
her again. She has travelled
any where in Europe Asia
and Africa. * has spoken
a thousand Zulus at once.
At our mission meeting Thursday
Pamela named a Mr Jordan from
Persia Tehran. His wife was
here spoken but she is in Hospital
(Parsykinia) at Phil^a having her
tooths removed. She is going to spend
in Duneloy money. At last I
have learned side board Ocar with
the new tidily served beer bottles
on and now I must get something
for initials and send all to her -
