

Lowell, N. H.
Dec. 10 '92.

My dear Cousin Ellen, -
Mamma bids
me write and remind
you of your promise
that Mary and Ellen
should spend the holidays
with us. We are looking
forward to their visit
and will be glad to
welcome them any-
time you may fix
upon. We think Caribel
will be a safe guardian
for the children but
should she be timid
Mamma can meet

her in Syracuse.

We hope nothing will
interfere with Mary and
Ellen's coming for it
would really be a great
disappointment to
us. Mamma is going
to write to you soon and
I trust all arrangements
will be favorably made.

The family join in
love to you, Cousin Nellie,
and all the children.

I am

Sincerely Yours
Anna Warner Pk.
